

U.S. Departure LCL Documentation and Cargo Cut-Offs for Hazardous Cargo

Important Hazardous Information

Listed below, you will find the cut-off times for receipt of LCL Hazardous Materials cargo and documents for all port served by Tropical Shipping:

Cargo Type	Cargo Cut-Off and Documentation Cut-Off that does not require EEI filing by Tropical Shipping	Customer Prepared EEI Documentation Cut-Off	Tropical Prepared Dry Documentation Cut-Off with EEI required
Less-than-Container Load Hazardous Materials	Noon, Two (2) Days Prior to Sailing, LCL Cargo Delivery	Noon, Two (@) Days Prior to Sailing	Noon, Two (2) Days Prior to Sailing

In addition, due to Port Authority requirements in Barbados that all cargo on a single Bill of Lading must be loaded in the same container, any hazardous cargo to be consolidated on a LCL Bill of Lading will require ALL non-hazardous cargo meet the hazmat cut-off of Noon 2 Days prior to vessel departure.

Tropical Shipping remains committed to providing our customers with the best and most comprehensive services in the industry. If you have any questions regarding our cargo delivery or cut-off times, please contact your local sales representative or the Customer Service Team at 800-638-TROP (8767), 561-881-3999 or CustomerCare@tropical.com.
